Naval Base San Diego is homeport to the Pacific Fleet Surface Navy with over 50 U.S. Navy ships and two auxiliary vessels including USNS Mercy (TAH - 19). The base often hosts visiting surface ships from foreign Navies, other U.S. homeports and the Coast Guard. Naval Base San Diego is also home to more than 200 tenant commands, each with specific and specialized fleet support purposes.

MWR programs aim to deliver superior quality of life programs at the best value to the Navy. MWR provides accessible, affordable opportunities that promote physically and socially active lifestyles which are critical to a ready, resilient Navy. MWR is proud to provide excellent customer service, offer competitive pricing, and reinvest customer dollars right back into the MWR program. We take care of our people so they take care of Sailors and families. MWR provides continuity and stability for the Navy community throughout the military career life cycle - it's a source of familiarity and a steady presence for our Sailors and their families everywhere the Navy operates!

One Team, One Fight!

FITNESS PROGRAM

NBSD aims to create “Fitness for Life” for the entire Navy community, including active-duty Sailors, family members, retirees, and DoD civilians. The program offers a diverse range of fitness, aquatics, nutrition and intramural sports programs that enhance the readiness, retention, and quality of life for the entire community.

Certified Fitness Professionals provide both individual and group instruction in areas such as cardiovascular conditioning, strength training, flexibility, and nutrition. They utilize programs such as Navy Operational Fitness & Fueling System (NOFFS), Command Fitness Leaders (CFL), and Mission Nutrition to deliver personalized guidance and support.

Aquatics Programming includes lap swimming, lessons, and specialty programs such as water aerobics and NOFFS Aquatics. These aquatic activities provide a refreshing and low-impact option for cardiovascular exercise and building strength.

The Intramural Sports Program plays a vital role in promoting fitness and fostering a sense of unity among the Navy community. Service members, family members, and DoD Civilians can engage in various individual or team sports such as flag football, softball, basketball, volleyball, and soccer, and fun runs.

Fitness Facilities are equipped with the latest and most advanced strength and cardio equipment to cater to all fitness requirements. Each facility offers a wide range of equipment options, ensuring that individuals of every fitness level can find what they need to achieve their specific goals. Additionally, there are synthetic turf fields and indoor courts available for playing a variety of sports.

DEPLOYED FORCES SUPPORT PROGRAM (DFS)

DFS provides quality of life for more than 200,000 sailors on board U.S. Navy ships and visiting vessels from allied partner Navies. Sports, recreational programs, physical fitness equipment, social activities, tours in both foreign countries and homeports, subsidies/rebates, and gear locker checkout are just a few of the morale-enhancing opportunities offered aboard afloat commands.

DFS Coordinators assist ships with programming, financial management, recreation administration, procurement, property management, and policy guidance. DFS Coordinators are civilian recreation and fitness professionals exclusively dedicated to supporting the MWR needs of the fleet and forward-deployed ground forces. These positions are among the most adventurous and challenging opportunities within the MWR profession.

ADMIRAL BAKER PARK

This scenic location offers a haven for military service members and their families, providing a year-round retreat for relaxation. The picnic grounds are a sought-after venue for command events, and the sports areas and RV campground present diverse recreational opportunities for families. Situated within the Admiral Baker Recreation Area, conveniently located in Mission Gorge between Interstates 5 and 8.

The Admiral Baker Recreation Area also offers extensive playground equipment, an outdoor swimming pool, volleyball courts, basketball courts, a large field, and horseshoe pits. Staff members provide the best customer service and ensure the facility's safety and security.

The RV Campground offers RV sites with water, electric, and sewage hook-ups, and is open to authorized patrons all year long. Laundry, showers, fitness stations and grill areas are also available for RV guests.

AUTO SKILLS CENTER

The Auto Skills Center is a do-it-yourself automotive repair facility where customers can make repairs on their personal vehicles. NBSD boasts the world's largest Auto Skills Facility with 144 bays, 24 lifts, 3 brake lathes, an onsite auto parts store, tire center, fully stocked tool room, bead blaster, pressure washer, bearing presses, and more.

Whether you're a beginner making minor repairs or an expert mechanic restoring a classic ride, this shop offers the resources you need to get the job done—all while saving you money.

The Automotive Skills Program offers monthly maintenance training classes and a safe working environment complete with individual work bays, state-of-the-art mechanical tools, and access to ALLDATA, the industry's #1 choice for un-edited mechanical and collision OEM repair information. Diagnostic tools and a team of qualified and trained staff are ready to assist you with any project you might have.

We supply the tools and "know-how," you provide the labor.

NAVY MEDICINE READINESS AND TRAINING COMMAND SAN DIEGO (NMRTC SD)

NMRTC is comprised predominantly of military members who support Naval Medical Center San Diego. The command supports overall Navy and Marine Corps readiness by training military command members to provide medical support to various operational Navy and Marine units deployed ashore or at sea. NMRTC SD is also the most technologically advanced US Navy medical treatment facility in the nation and provides care with a military and civilian staff of 6,000+.

NAVAL MEDICAL CENTER SAN DIEGO (NMCS D)

Almost 250,000 people in San Diego County are eligible to receive care at NMCS D. The center has five medical mobilization teams, including the hospital ship USNS Mercy, that all draw personnel from the hospital staff. These teams deploy to the Western Pacific and Southeast Asia at various times throughout the year. It is the center's mission to ensure Sailors and Marines onboard those ships have access to quality medical care if needed.

The MWR staff provides all commands with quality-of-life programming such as fitness, recreation, and gear rental opportunities. Onsite facilities include two fitness centers, a pool, basketball court, tennis courts, pickleball courts, locker rooms, coed saunas, group exercise opportunities, a dual single sailor & all hands recreation center, a ticket office and a party rentals facility.
